**'BIG 4' PUBLIC
PRACTICE FIRM**

RECRUITMENT MANAGER FOR THE ADVISORY GROUP OF A "BIG 4" PUBLIC PRACTICE FIRM.

What roles did you partner with STRIVE Recruitment in filling?

STRIVE was asked to recruit Advisory positions that were deals-based (IPO's, SPAC's, Carveouts, M&A, Divestitures etc.)

What stood out about your experience with STRIVE Recruitment?

Working with STRIVE they were able to zero in on the exact profile we were looking for (in numerous locations). Very attentive to our changing needs in terms of level, communicated with the candidates about the timing and never hounded us for feedback knowing that certain times our process was slower based on the team's schedules.

How would you rate the recruiter's level of engagement throughout the recruitment process?

The recruiter's that worked with us directly have great knowledge of the market and were very engaged throughout the 2 years we have been working together.

Did the quality of candidates provided meet your expectations?

The candidates that were sent to us were always relevant, if we ever rejected a candidate, it was for a minor detail that was not mentioned on the original take-in call. We then discussed the exact reason why and they took that information and made sure that the next batch of candidates were even more appropriate.

Whom would you recommend utilize STRIVE services?

Coming from an agency role before joining the corporate side, I can honestly say that STRIVE is what all other agencies should aim and aspire to be. The professionalism, knowledge and attention to detail is second to none. I would recommend any company/firm that has Accounting, Audit or Consulting needs use them. I look forward to continuing our strong relationship for many years to come.
